

Dearest friends and partners of the Diocese of Haiti

2010 has been one of the darkest years in Haiti's history. The earthquake, Hurricane Tomas, the cholera epidemic and political unrest have shocked the Haitian people. Their hope for a better tomorrow has been weakened. However, their determination to fight will allow them to overcome any obstacle presented.

On behalf of the Diocese of Haiti, and the Partnership Program I would like to Thank you for your immeasurable support. 2010 has also been a year of great friendship and partnership, and because of this it has been a year of promise for Haiti.

Haiti, of course is not the only country in the world with problems. And yet, the passion and investment you all have shown for Haiti reveals that, God has not forgotten the people of Haiti and that he will indeed support each of us through his trials.

On behalf of the Diocese of Haiti, and the Partnership Program, I wish a Happy New Year to all of you – our very special friends and partners! Let this be a fruitful New Year of peace, love, prosperity, and collaboration!

Love and Thanks during this Holy Holiday season!
