

Dismantling Racism with Youth

A 6-session course

January – March 2021

On Zoom

The Episcopal Church has developed a Christian formation program specifically for youth called *Dismantling Racism: A Youth Curriculum*. Mary Beth Abplanalp is now certified to teach this 6-session curriculum designed to help middle and high school youth and their parents have conversations about race, become allies, and build relationships to address systemic racism in their context. The goal is to help youth connect their faith with racial healing in our communities.

St. James's will offer this 6-session program bi-weekly on Sunday evenings at 6:30 p.m. this winter to any youth in grades 6-12. Students must be accompanied by at least one parent. All sessions will be offered virtually via Zoom. Please note the program builds on previous sessions so if you miss a session, you'll need to discontinue the course and participate again the next time it is offered, which we hope is at least once annually.

Each participant will receive a student journal that provides journaling space for the activities covered in the 6-session program, as well as scripture, a glossary, and additional resources.
