

HOLY PEEPS® PROJECT 2021

St. James's Episcopal Church, Richmond, VA

Children and Youth are invited to get a shoe box, some Easter Candy, and a bit of imagination to create a diorama of a Bible story or liturgical action featuring PEEPS candies. The idea of this Lenten project is to inspire our children and youth to have fun exploring Bible stories and Episcopal liturgy by creating a diorama for our entire congregation to enjoy in an art exhibit on-line (Facebook, Instagram and doers.org) during Holy Week.

Yes, it's a contest too! There will be on-line voting and, yes, there will be prizes!
