

# How to View Pledge Status

If you have made a pledge to a Campaign, you can log into your PushPay account and see your progress underneath the "Campaigns" section. Donors can see their total contributions, recurring schedules to the campaigns, and their pledge progress there.

The screenshot displays a user's PushPay account dashboard. On the left is a navigation sidebar with icons for Home, Campaigns, Transactions, Giving Statements, Security, Payment Methods, Profile, and Help Center. The main content area is titled "Campaigns" and shows a "Live" status. Two campaigns are listed:

- The Everest Trip Campaign** (LIVE): Events Church | eventschurch@gmail.com | 800 446-3035. Started Feb 10 2017 | Ends Dec 14 2022 | Opened for 612 Days. Total contribution: \$6500.00. 3 Recurring Payments: \$100.00 (Mar 15 Monthly). My progress: 92% (Committed \$7000.00, Remaining \$500.00).
- Rooftop Restoration Campaign** (LIVE): CCF Church | anderson.charles@fannie.co.uk | 818 551-9598. Started Mar 15 2017 | Ends Nov 11 2020 | Opened for 567 Days. Total contribution: \$3221.45. Recurring Payment: \$100.00 (Mar 15 Monthly).

Each campaign card includes a "View Transactions" link and a "Give to Campaign" button. The dashboard also shows a "Ended" status at the bottom.

## Non-Tax Deductible Pledge Payments

If you are paying your pledge through a donor advised fund or an IRA you will not see that payment listed under Campaigns. Because these gifts are not tax deductible, they will not show up as pledge payments when you are viewing your pledge progress. But rest assured, we have noted it as a payment against your pledge and are keeping track! Please reach out to Betsy Lee at [blee@doers.org](mailto:blee@doers.org) if you are fulfilling your pledge through a non-tax deductible gift and if you have questions regarding your pledge progress.
