

MLK Lock-In for Service

Jan 20- Jan 21, 2019

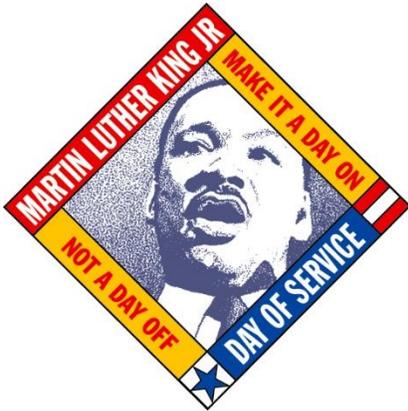

St. James's Episcopal Church, Richmond, VA

Event Information

On Sunday, January 20 at 4:00 p.m. through Monday, January 21 about 11:00 a.m., our 10th-12th grade youth will have a **MLK Lock-In for Service**. The group will begin this Lock-In by attending the MLK Evensong together. We'll get some pizza for dinner and then we'll get to work painting the Catacombs of the church (church basement). In this space at St. James's,

dozens of AA, Al-anon, and related support groups meet each week to support people through their recovery. Really important ministry and holy work takes place in this space but the room is in dire need of some fresh paint, flooring, and baseboards, among other things.

We'll enjoy lots of fun music, social time, food, and we'll sleep in Michaux House classrooms overnight. **Youth can earn 6-8 hours of community service too!**

To Register: Registration is first come, first served, so don't delay!

- 1) Registration will open December 20 and be emailed to all youth and parents. Complete the **online registration form** which will also be available at www.doers.org.
- 2) Complete a 2018-2019 Youth Ministry Universal Permission Form (If a current form is not already on file in Youth office. Available at www.doers.org and on the 3rd floor of Michaux House.)
- 3) Submit Registration Fee of \$30: Make checks payable to St. James's Episcopal Church with "MLK Lock-In" on the memo line. Mail to 1205 W. Franklin St. Richmond, VA 23220. Registration is not complete until payment is received.

Martin Luther King Jr. Day is often overshadowed as being a school holiday and chance to sleep in for students. But this year our 10th-12th graders at St. James's will embrace this as the Day of Service this national holiday is intended to be.

First come, first served! Registration closes January 14, 2019
